

STEAMPUNK DALEK ROADSHOW

An entertaining primary school incursion starring a recycled robot which will inspire kids to be creative, resourceful and sustainably smart.

The Steampunk Dalek Roadshow is suitable for primary school levels: Year 3 - Year 6. Running time: 1 show session runs for 60 minutes (approximately) + 30 minutes allocated for photos/questions.

Bring the Steampunk Dalek Roadshow to your school and watch your students' eyes brighten with excitement. This recycled superstar never fails to impress and delight audiences of any age. The Steampunk Dalek Roadshow is a sustainably smart themed presentation designed to support the cross-curriculum focus of Sustainability. The Steampunk Team aim to bring the message of caring for the Earth in an unforgettable way, captivating students with hilarious robot humour.

1 Show Session	\$1500
2 Show Sessions	\$2500

Maximum of 120 students at each show session.
If you require a quote for more than 2 show sessions, please enquire.

Steampunk Dalek Roadshow content includes:

- Looking after earth and why it is important to reducing waste.
- Sustainability, recycling (upcycling and downcycling)
- An Artist's life: re-purposing objects for arts sake
- How art can connect a community
- Steampunk Art and how the Steampunk Dalek was created
- Rethinking needs, resources and making sustainable choices

Schools will be provided with an educational pack that includes:

- Pre-show information and suggested discussion/activities
- Cross curriculum-linked activity sheets catering for middle and upper primary levels

Students will need to stay seated for the duration of the show. Some audience participation will be required and a few volunteers will be randomly selected. An opportunity at the end is allocated for questions and photographs. You are welcome to take photographs during the Steampunk Dalek Roadshow.

Important - Pre-show information

Access

Before we confirm a booking, we need to check access for the Steampunk Dalek. Please email a school map to indicate street access, available carparks and access to the performance area. The Steampunk Dalek will require footpath access. Ramps are ok but not stairs! In some circumstances we may arrange to visit the school premises prior to the incursion (at no extra cost).

Height and width clearance required for our robot: 2m (height) x 0.9m (width).

Stage/Performance Area

The Steampunk Dalek Roadshow is best suited to an undercover area or large gym space. If schools can let us know of the dimensions of the performance area that will help us plan the incursion for your school. Students will need to stay seated for the duration of the show.

Audience

After you have placed your booking, we will be in contact to confirm the classroom year levels attending each session.

Terms & conditions

All bookings are obligation free. We will contact you 1-2 weeks before your booking date to confirm and request payment. Full payment is preferred before the incursion takes place.
